

Message from the Student Council

tawâw! Welcome new and returning students to another exciting year at Blue Quills First Nations College. We would like take this opportunity to invite you to sharpen your skills in communications, leadership, and management by joining our by-weekly student council meetings. At our meetings we work collectively as each member engages with the role of being a leader and supporter. If you would like a challenge to push yourself to new limits then commit to become an *agent of positive change* within the safe environment of the Blue Quills campus. Some initiatives include:

- Enhance student voice and advocacy;
- Enhance the quality of education and student services;
- Create social activities and events;
- Increase wellbeing: physically, mentally, spiritually and emotionally;
- Promote our students and campus successes.

In addition to working within the Blue Quills Student Council, we believe that the student experience involves more than just the classroom. We encourage students to volunteer around the campus and local communities to make a difference as well as to develop the strength and special abilities needed to find employment after graduation. The success of all our programs will only be possible with your collaboration and involvement. In this way, we will be able to make great movement towards positive change for all students. We welcome every student to visit, relax, get active and enjoy the beauty of learning and giving.

Have a great year!

Backrow: Donald Bennett (Vice-President), Robin Youngchief (President). **Middle Row:** Wanda Redcrow (Secretary), Shelley Houle (Member). **Frontrow:** Serina Follette (Member), Shaunte Fryingpan (Member), Amber Blood (Member), Raylene Cardinal (Member), Sharene Stone (Member)
