# Bachelor of General Studies

## Bachelor of General Studies Degree Program

The Bachelor of *General Studies* Degree Program provides a framework of individualized study within an Applied Studies or Arts and Sciences designation that gives great freedom to choose courses which meet career or education goals.

This three year B.G.S. Degree allows students to complete the degree at Blue Quills. The degree will be awarded from Athabasca University.

The 90-credit B.G.S. Degree may lead to second degrees in faculties such as education and social work. This program allows maximum freedom to develop intellectual and academic interests.

**A total of 90 credits is required. Minimum credits required within the total 90 include:**

1. 45 credits in area of designation
2. 30 credits in senior-level courses in area of designation
3. 45 credits total in senior-level (300/400) courses (including the above 30)
4. 6 credits in Humanities
5. 6 credits in Social Science
6. 6 credits in Science
7. Residency requirement- none
8. Maximum Prior Learning Assessment and Recognition credits
  - 3.61 Arts and Science- 9 credits
  - 3.62 Applied Studies - 21 credits

All new students starting in the B.G.S. Program may start as a cohort group. This means the new group of students will be taking the same courses. (List of courses to be offered for the new intake will be posted). This program is offered on a full-time basis.

### **Admission Requirements:**

Candidates are required to satisfactorily complete the Skills Appraisal Testing.
